Anafi Trade is a multi functional cryptocurrency cloud mining provider.

Our Introduction

Looking Beyond The Short Term For The Most Sustainable Outcome.

We're a distinctive wealth and investment management firm actively building enduring value for our clients. We actively manage your portfolio to ensure it remains appropriate for the ever-changing conditions in the global economy and financial markets. We have a well-defined investment process, which is fundamental to the service we provide. This process creates a strong yet flexible framework for our investment professionals to work together, sharing ideas and challenging each other's views. It is constantly evolving and we continue to invest in the resources required to ensure it remains robust. We are into real estate arbitrage, gold mining and car accessories in delight to meet your essential investment needs.

We have a dedicated team for clients who want 100% ethical and sustainable investment management. We achieve results by harnessing our extensive investment research resources. Our investment process captures the best thinking of our strategists, analysts and investment managers, which we use to build and manage your portfolio.

- Strategic Vision
- Interpersonal Skill
- Networks That Span Sectors
- Flexible Delivery Model

The ability to react correctly to market changes and transformations reduces the probability of losing a deposit within each individual transaction.

Anafi Trade was created by true crypto enthusiasts. We are deeply in love with the crypto economy and unlimited opportunities it provides. We enjoy the importance and innovations brought by blockchain technology and work hard on the development of cryptocommunity. Our main force is the team behind anafitrade.com. We all are diverse but brought together by the shared dream of creating the biggest technological cluster in the world and making cloud mining accessible to everyone on the Earth.

WHAT WE DO

Anfi Trade is a leading investment provider to financial market professionals. Our technical strategies cover forex, binary options and crypto. Our market depth and knowledge are attributed to our acquired experience on trading floors of many banking institutions.

Our organisation exists purely to support the people we trade with – the world’s more disadvantaged investors. We believe that investment, if organized and regulated properly, can lift the world’s poor out of poverty. At Anfi Trade, we push ourselves daily to a limit of breaking point while enjoying ourselves while making profits. Anfi Trade is a registered organization that offers private membership to individuals who wish to invest into Forex Trading, Binary Options, CFDs on stocks, ETFs and Crypto Trading.

Collaborative

Managing wealth responsibly takes collaboration: with each client, among colleagues and with professional partners. What matters is not who’s best but what’s best for our clients.

Resilient

We are not afraid to ask difficult questions or make changes that need to be made. We stand up for what’s right, accepting that this can be challenging sometimes.

Professional

We take our professional responsibilities seriously. We are accountable for what we do: to our clients, to each other and to the future.
